**Utah Surf Club Fee Information:**

Club fees cover field contracts, painting and maintenance, coaching staff, coach education, coach gear and equipment, operations, club registrar, referee assignor, marketing, staff and administrative costs, payroll taxes, workers comp, insurance, player scholarships, website, etc.

Club fees do NOT include the following: tournament fees, indoor league fees, travel to/from events, indoor training facility rental fees, coach travel expenses

Fees are for the age of the team the player is registered to, not necessarily the age of the player.

**Payment Information:**

Payment plans are available at registration.

\*A 3.5% processing fee will be included when paying online with a credit card.

\*\*If paying by check, please send payment to: Utah Surf Soccer 5513 W. 11000 N. #457 Highland, UT 84003

**UYSA Fees:**

Fees collected by UYSA are paid to Utah Youth Soccer Association and include the cost of player insurance and league administration.

**High School Provisional:**

High school age group club fees do not cover the High School impacted season (2.5 months of the year).

**Financial Aid:**

Utah Surf wants to give every opportunity for players to participate in our program. We believe that player fees should never be a reason for players to not be able to play the beautiful game. We understand that some players are unable to pay some or all of the club fees associated with Utah Surf. Limited financial aid is available.

**Uniforms:**

All uniforms are ordered online through Soccerpost and shipped to your home. Surf Nation uses an annual purchase cycle so as to spread costs out, alternating home and away kits. Academy kits are on a 2 year cycle. This year is the 2nd year of that cycle so returning Academy age players will not be required to purchase new kits.
